

## **Become a "Central Saint"**

Help Central stay connected to our college students and military personnel by becoming a Central Saint. "Saints" are a personal way to keep the church in the lives of our young people. You may contact your student once a month (if possible) during the school year. Ideas include; letters, "thinking of you" cards, newspaper clippings of church people and local events, exam week care packages, holiday and birthday cards, email. Central Saints do not need to be "secret."  
Please fill out the form below if you are interested in being a Central Saint and return it to the One Stop Sign Up box or to the church office.
