Grounded Sermon Series: Part 3

The Message "Finding God in the World—Even in Your Neighborhood"

Prayer Station

We all have neighbors who are a challenge to show compassion toward, and to envision sacred worth in. Take a moment to identify who that is for you, or for your "tribe", or between our nations. As you feel open, come forward to write on the poster in the blank: "Love thy _____ Neighbor."

Focus Song

"My Own Little World"

Matthew West

Verse 1

*In my own little world it hardly ever rains
I've never gone hungry always felt safe
I got some money in my pocket shoes on my feet
In my own little world population me
I try to stay awake during Sunday morning church
I throw a 20 in the plate
But I never give 'til it hurts
And I turn off the news when I don't like what I see
Yeah it's easy to do when it's population me*

Chorus 1

*What if there's a bigger picture
What if I'm missing out
What if there's a greater purpose
I could be living right now
Outside my own little world*

Verse 2

*Stopped at a red light looked out my window
I saw a cardboard sign said help this homeless widow
And just above that sign was the face of a human
I thought to myself God what have I been doing
So I rolled down the window
And I looked her in the eye
Oh how many times have I just passed her by
I gave her money then I drove on through
And my own little world reached population two*

Bridge

*Father break my heart for what breaks Yours
Give me open hands and open doors
Put Your light in my eyes and let me see
That my own little world is not about me*

Chorus 2

*What if there's a bigger picture
What if I'm missing out
What if there's a greater purpose
That I could be living right now
I don't want to miss what matters
I wanna be reaching out
Show me the greater purpose
So I can start living right now
Outside my own little world
My own little world
My own little world
