"Tips from Jesus and Francis"

Prayer Station

*Today our focus is about how God's great generosity toward us can ignite our own generosity toward others. For a few moments, consider God's generous ways that show up in our church and the ministries we share together. If you'd like, write down what you're grateful for in our church, over this past year, using the orange "eyeglasses" paper cut-out. **You may bring it forward, as the band plays, along with any money gift you may have brought with you today.***

Focus Song "Doin' a Good Work"

*We have been commissioned
To build up Zion's walls
A city made with living stones
And we won't be distracted
By voices in the night
We're building with the left hand
And we're battlin' with the right

Keep on
Doin a good work
For the Kingdom of God
Doin a good work
We're gonna stand our ground
Revival is outpouring
For rebuilding and restoring
We're doin' a work for Jesus
And we won't come
We won't come down*

*God has sent His Spirit
Given us His word
If the people have a heart and mind to work
He will send a fresh anointing
And revival to this land
Then the world will see His power
Through His people once again*
