How will you bless the nations? During our Prayer Station Time focus on one of the countries listed in the Taking It Deeper page of the bulletin, and speak a silent blessing for the people. A suggested blessing is listed below the names of the countries.

**Focus Song** "What A Wonderful World"

*I've seen trees of green, red roses too  
I see 'em bloom for me and you  
And I think to myself  
What a wonderful world*

*I've seen skies of blue and clouds of white  
The bright blessed day  
The dark sacred night  
And I think to myself  
What a wonderful world*

*The colors of the rainbow so pretty in the sky  
Are also on the faces of people going by  
I've seen friends shaking hands  
Saying How do you do?  
They're really saying "I love you"*

*I hear babies crying  
I watch them grow  
They'll learn much more than I'll ever know  
And I think to myself  
What a wonderful world*

*Yes, I think to myself  
What a wonderful world*

**Unison Prayer for All**

written by Bret S. Myers

**I vow, O God, to model the faithfulness  
to change what integrity would have me not accept;  
To compassionately work for justice for others and myself,  
no matter what the cost;  
To trust that more beauty and goodness is possible  
than what I may realistically reason to be so;  
And to live and die aspiring to the ideals of living in peace  
with nonviolence, rather than to give in to any lesser motive.  
Grant that I may not look to the probabilities of success,  
but to the wisdom of being faithful. Inspire me to be committed,  
persistent, and enduring in my devotion to live by values that are sacred;  
rather than calling sacred whatever may be my values.  
And so may I be a blessing to the world which I inhabit.**
