Passing the Peace

Call to Worship Rev. Linda Stephan

One: There is a balance to life:
Between our needs, and those of others.
We care for others, as we care for ourselves.
We nurture the earth, as we accept her harvest.
We seek right over wrong, and to do no harm.
And in all these things, we stand side by side,
Our rock as our guide. And we:

ALL: Draw the circle wide.

Let us worship today the Risen One and Creator of all things living.

Song for All "All the People Said Amen" by Matt Maher

A Time to Pray Rev. Chris Lane

The Lord's Prayer (Ecumenical Version)

Our Father in heaven, Hallowed be your name, Your kingdom come, your will be done, on earth as in heaven. Give us today our daily bread. Forgive us our sins as we forgive those who sin against us. Save us from the time of trial and deliver us from evil. For the kingdom, the power, and the glory are yours Now and forever. Amen.

Focus Song "People Need People" by Logan Cain
featuring the Well Worship Band and Vocalists

Verse 1—*You can go and build a mighty mansion, but with no family that house just goes to waste. You can fix a feast to feed an army, but with no friends there's no need to celebrate.*

Back in the beginning there were two in the garden, no we were never made to be alone.

Chorus—*God knows, people need people, need people, need people. To the Father there's nothing better, then when the kids all come together. People need people, need people.*

*When there's nothing but love between us, we can finally start to see what God knows:
People need people, need people, need people. People need people, need people, need people.*

Verse 2—*Cause you know love is just like water, it's no secret, we all need it to survive.*

Woh, You won't last long without your brother, cause when you fall, he'll lift you up every time. [Chorus]

Verse 3—*The weak need the strong, and the strong need the weak,
We've all got something missing, and we're all the missing piece. The strong need the weak and the weak
need the strong, We're all searching for an answer, that's been here all along.*

[Chorus]
